## **SAFARI NEWS**

The safari committee has plans to visit the Family History Center in the City of Orange on March 15, the fourth Wednesday in that month. In April the plans are to go to Los Angeles Public Library. Our safari leader, Shirley Fraser, suggests that if you need information or know you will need a ride with someone, call her at 837-5566.

## FROM THE PRESIDENT'S DESK

I certainly hope that by now every member has visited the new Mission Viejo Library, and of course, our department. It just gets bigger and better all the time. The computer, printer and microfiche readers are now set up, there are pedigree charts and family group sheets available, and also disks are available if you wish to down-load material from the computer. **Many** duplicate copies of periodicals are available for a small donation. Come in to browse, research, (and buy).

The book selection committee has been meeting and 50/50 envelopes have been initiated. A form is available at our monthly meetings, so if you are researching an area you would like some books on, or just want a particular book, please fill out the form and request it. Our immediate goal is to get as many **vital records** as possible. But this is your collection, so let us know what you wish to see in the library. Our strict budget puts a limit on us, and this is where the 50/50 envelopes will help. If you donate 50% to the purchase of a book you have the right to keep it at home for two months before it goes into the Library. If two members donate 25% each, you each have it for one month. See Betty McKenzie at the meetings or mail in the form to Betty or me.

Again, my personal thanks to all of you who have gone "above and beyond" to help. There is still a lot to accomplish, but many of the goals have to go through the main Library, and working with City Hall can sometimes take a very "slow road". Please bear with us, we're trying hard!!!! Janet Franks, President

## DESERET BOOK STORE

The Deseret Book Store has moved to the Von's shopping center at Tustin and Lincoln in Orange. The new address is 1526 E. Lincoln. Phone number is (714)835-7505 (*Gen Soc No. Orange Co CA Jan 1998*)

## CEMETERIES

(Excerpts from Chicago Gen Society Newsletter, article written by Grace Horner.)

Did you know that there is a 100% correlation between modes of transportation and cemeteries? As the modes of transportation changed, the distance between home and the cemeteries increased. Consequently, it is helpful to know what modes of transportation were available in the area at the time of a death. Based on transportation, there are four types of cemeteries:

1. Walk-in cemeteries, maximum of 2 to 2 1/2 miles from home.
2. Railroad cemeteries. Private industry and cemeteries would work together so trains would make regular stops at cemeteries along the line.
3. Streetcar cemeteries. Public money provided the transportation.
4. Automobile cemeteries, further away from home with the advent of the auto.

## "Happy St. Patrick's Day"

May those who love us, love us,  
And those that don't love us,  
May God turn their hearts!  
And if he doesn't turn their hearts,  
May he turn their ankles,  
So we'll know them by their limping.

(An old Gaelic blessing)
